

**INNOVATIONS  
GROW HERE**

Our products - Bio-Fertilizers, Bio-Stimulants and Bio-Pesticides are effective and safe tools for farmers. We have proven and aim to educate that farming with non-chemical products is economically feasible.

**We believe in the balance of sustainability, effectiveness, and profitability.**

*All product labels and SDS are available at [agrian.com](http://agrian.com). Always follow all label directions and safety precautions when using these products.*
